Investment Allocation

(Please fill out Option I, Option II, or Option III. Do not fill out more than one section.)

Fill out Option I, Option II, or Option III. Please complete only one.

By completion of Option I or Option II you enroll in GoalMaker, Prudential's asset allocation program, and you direct Prudential to invest your contribution(s) according to a GoalMaker model portfolio that is based on your risk tolerance and time horizon. You also direct Prudential to automatically rebalance your account quarterly according to the model portfolio chosen. Enrollment in GoalMaker can be canceled at anytime.

Please refer to the Retirement Workbook for more information on rebalancing and age adjustment.

Option I or Option II must be completed accurately, otherwise your investment allocation will be placed in GoalMaker.

Option III must be completed accurately and received by Prudential **before** assets are accepted; otherwise, contributions will be placed in the default investment option selected by your plan. Upon receipt of your completed enrollment form, **all future** contributions will be allocated according to your investment selection. You must contact Prudential to transfer any **existing** funds from the default option.

If you choose GoalMaker and want to automatically, once eligible, allocate a portion of your retirement account to the IncomeFlex funds to help you generate guaranteed retirement income, please check this box.
