DISABILITY RETIREMENT PROCESS
The process starts with the filing of your Application for Disability Retirement with the Division of Pensions and Benefits. All retirements start on the first of a month. Your application must be received by the Division of Pensions and Benefits prior to your retirement date. Approximately two weeks after receipt of your application, the Division of Pensions and Benefits will send you an estimate of disability retirement benefits.

Disability retirements require approximately 3-5 months to process after we have received the required forms. Submit your Application for Disability Retirement as soon as possible as there is no provision for an interim benefit between your last day of salary and your first pension check.

It is your responsibility to ensure that all required forms are submitted to the Division of Pensions and Benefits within 90 days of application. At the time you submit your application, you should complete the other required forms (listed above) and give them to your doctors, hospital, and employer, respectively. Provide all the medical documentation you have on your disability. The more complete your medical documentation, the better able the Medical Review Board will be to make a fully informed determination.
However, at least two corroborating pieces of medical documentation are required: either statements from two physicians or a physician statement and documentation from a hospital. Failure to submit ALL medical documentation will result in the delay of processing your retirement benefit.

If you have only been treated by one doctor and have not been hospitalized for the disability, attach a note to your Application for Disability Retirement to advise us of this. We will arrange for another physician in your area to examine you and report back to us.

Your application and all medical information submitted is evidence that will be reviewed by the retirement system Medical Review Board prior to its submission to the Board of Trustees. If you are filing for an Accidental Disability retirement, you will be scheduled for an examination by a physician appointed by the retirement system. When the Medical Review Board feels they have sufficient medical information to offer a determination, your application will be presented to the Board of Trustees with a recommendation. The Board will make a final determination on your application at its monthly meeting and the Division of Pensions and Benefits will notify you of the Board’s decision.

If your retirement is approved, the Retirement Bureau will send you a quotation of your retirement allowance and life insurance. If you have requested an Accidental Disability retirement and it is denied, but you are found to be totally and permanently disabled, you will be retired on the basis of an Ordinary Disability provided you meet the service credit requirements. If your retirement is not approved, you will be informed of any type(s) of retirement for which you do qualify and what the appeal procedures are.

Important: Approval of Workers’ Compensation, temporary or partial disability benefits, or Social Security Disability benefits has no bearing on your approval for disability benefits payable by the retirement system.

OUTSTANDING LOANS AT RETIREMENT
If you have a loan balance at retirement, you must decide whether you wish to carry monthly payments into retirement until the balance, with interest, is satisfied, or pay off the entire loan in a lump sum prior to receiving retirement benefits.

SACT AND THE STATE EMPLOYEES DEFERRED COMPENSATION PLAN
If you are a participant of the Supplemental Annuity Collective Trust (SACT) or the New Jersey State Employees Deferred Compensation Plan, your benefits from these plans are separate. You may call the Supplemental Annuity Collective Trust, (609) 633-2031, or the Deferred Compensation Plan, (609) 292-3605, to obtain further information regarding payment options with each of these plans.

YOUR FIRST RETIREMENT CHECK
If your disability retirement is approved, the earliest your first retirement check can be paid is the first of the month following your retirement date or 30 days after approval by the PFRS Board of Trustees, whichever is later. This is when your retirement becomes “due and payable.”

For example, a member who files his or her application well in advance for a June 1 retirement date, and is approved by the Board of Trustees on May 19, would receive the first retirement check on July 1 (this check pays the amount due for the month of June). If approval of the retirement is delayed, the first check will be retroactive to the original requested date of retirement.

Enclosed in this packet is a form for initiating the direct deposit of your retirement checks. Please complete the Authorization for Direct Deposit of Benefit Payment form and send it to the Division of Pensions and Benefits along with your retirement application.

CHANGING YOUR RETIREMENT
Once the Board approves a member for a disability allowance, the member cannot cancel the retirement and the application cannot be withdrawn, cancelled, or amended, unless the member sends a letter to the Board of Trustees requesting a return to work and submits a statement from their physician(s) stating that the member can return to work. The Division will then schedule the member for an Independent Medical Examination, and all medical documentation will be submitted to the Medical Review Board for a recommendation. The Board of Trustees will make a final determination of whether the member is able to return to work.

If requesting a change of retirement date, it must be requested by letter or by using the Change of Disability Retirement form included in this booklet. Your employer must also complete the salary and service certification on the back of the change form. A member cannot change the date of the retirement if retiring under an Involuntary Disability Retirement.
Disability Retirement Benefits

Police and Firemen's Retirement System

ORDINARY DISABILITY

The processing of Ordinary Disability retirement benefits normally takes 3-5 months. To qualify for Ordinary Disability retirement benefits you must:

• be a member in service at the time the application is filed with the Division of Pensions and Benefits (an official leave of absence is considered in service);

• have 4 or more years of New Jersey service credit in the pension system (the purchase of out-of-state, military, and U.S. government civilian service cannot be used to attain the 4 years);

• be considered totally and permanently disabled (you must prove that you are physically or mentally incapacitated from performing your normal or assigned job duties with no possibility for significant improvement); and

• provide any and all accident reports, witness reports, and corroborating evidence on file for any and all accidents for which you are filing.

If the medical documentation supplied by you is not sufficient to support your claim of disability, you may be examined by physicians selected by the retirement system at no cost to you. The examination will be scheduled by the Division of Pensions and Benefits.

If you qualify for an Ordinary Disability retirement benefit, the annual benefit is equal to 40 percent of Final Compensation or 1.5 percent of Final Compensation for each year of service credit, whichever is higher.

“Final Compensation” means the base salary in the 12 months immediately preceding retirement.

The retirement benefit is not reduced by any Social Security or private insurance benefits that may be payable. However, any Workers’ Compensation award you receive may be reduced. See your employer for details.

Ordinary Disability retirement benefits are subject to federal tax to the same extent as other pensions; your benefits are not subject to New Jersey State income tax until you reach age 65.

INVISIBLE ORDINARY DISABILITY RETIREMENT

Your employer has the right to apply for an involuntary disability retirement on your behalf.

A PFRS member with at least four years of service, but less than 20 years, who meets the qualifications for Ordinary Disability shown above and who is required to retire upon application by the employer, will receive an Ordinary Disability retirement allowance of 40 percent of Final Compensation, or 1.5 percent of Final Compensation for each year of service, whichever is higher. A member with 20 or more years of service will receive an allowance equal to 50 percent of Final Compensation plus an additional 3 percent of Final Compensation for every year of service over 20 up to a maximum of 25 years. You cannot change the date of retirement under an Involuntary Disability Retirement.

SPECIAL DISABILITY RETIREMENT

To qualify for Special Disability retirement benefits you must:

• be a member in service at the time the application is filed with the Division of Pensions and Benefits (an official leave of absence is considered in service);

• have 5 or more years of New Jersey service credit;

• receive a heart transplant; and

• provide any and all medical reports, or corroborating evidence on file that supports your disability.

The annual benefit calculation for a Special Disability Retirement is equal to 50 percent of Final Compensation.

ACCIDENTAL DISABILITY

The processing of Accidental Disability retirement benefits normally takes 4-6 months. To qualify for Accidental Disability retirement benefits you must:

• be a member in service at the time the application is filed with the Division of Pensions and
Benefits (an official leave of absence is considered in service);

- be an active member of the PFRS on the date of the traumatic event (see definition below);
- be considered totally and permanently disabled (you must prove that you are physically or mentally incapacitated from performing your normal or assigned job duties with no possibility for significant improvement) as a direct result of a traumatic event that happened during and as a direct result of carrying out your regular or assigned job duties;
- file an application within five years of the date of the traumatic event;
- be examined by physicians selected by the retirement system at no cost to you. The examination will be scheduled by the Division of Pensions and Benefits; and
- provide any and all accident reports, witness reports, and corroborating evidence on file for any and all accidents for which you are filing.

A "Traumatic Event" has been defined by the courts as one in which the worker is involuntarily exposed to a violent level of force or impact which is not brought into motion by the worker.

To be eligible for Accidental Disability retirement benefits, the worker must demonstrate that:

- the injury was not induced by normal work effort;
- the worker met involuntarily with the object that was the source of the harm; and
- the source of the injury was a violent or uncontrollable power.

The following examples would not be considered traumatic events:

- Slip and fall cases, no force or power originates anywhere except from the person falling and the gravitational force on the person was not considered "great";
- A laborer who injured his wrist when a jackhammer twisted in his hand, was not injured as a direct result of a great rush of force or uncontrollable power;
- A member's heart attack, although the result of job stress and tension, was not considered a traumatic event.

If you qualify for an Accidental Disability Retirement benefit, your annual pension will be 2/3 of your annual compensation on which pension contributions were being made at the time of retirement or the date of the traumatic event, whichever provides the higher benefit.

If you are receiving periodic Workers' Compensation benefits, your Accidental Disability retirement benefits will be reduced dollar for dollar by the periodic benefits paid after your retirement date. The retirement benefit is not reduced by any Social Security or private insurance benefits that may be payable.

The Division of Pensions and Benefits reports your Accidental Disability retirement benefit as exempt from federal income tax; your benefits are not subject to New Jersey State income tax until you reach age 65.

If you apply for Accidental Disability retirement and are found by the Board of Trustees to be totally and permanently disabled, but not because of a traumatic event or the event was not the primary cause of your disability, you will be retired on an Ordinary Disability if you have 4 years of New Jersey service in the retirement system. You may also be offered a Service or Special Retirement (this depends on your age and service credit at the time the application was received).

**APPLYING FOR DISABILITY RETIREMENT BENEFITS**

The Application for Disability Retirement can be obtained:

- from our Web site at: www.state.nj.us/treasury/pensions
- by writing to the Division of Pensions and Benefits, PO Box 295, Trenton, NJ 08625-0295;
- by contacting the Office of Client Services by telephone at (609) 292-7524; or
- by e-mail request to: pensions.nj@treas.state.nj.us

The Application for Disability Retirement includes forms for your physicians to complete and a release for any hospital records related to your disability. Applicants for disability retirement must submit all supporting hospital and physician records. At least two forms of medical documentation are required; i.e. a statement from two treating physicians or one statement and records from a hospital stay related to the
disability. Applications and supporting documents should be submitted to:

Division of Pensions and Benefits
Disability Review Unit
PO Box 297
Trenton, NJ 08625-0297

All medical information is confidential and used only by the Board of Trustees in reviewing the claim.

You must pay for the cost of any medical documentation that may be required to prove your claim. For example, if you had a hospital stay due to your disability and the hospital charges for the duplication of medical records from your stay, you would be responsible for any cost involved. The more complete the application, the faster it can be processed.

In order to be eligible to receive either Ordinary or Accidental Disability retirement benefits, you must terminate all employment covered by the retirement system prior to your retirement date.

Your employer has the right to apply for an Involuntary Disability retirement on your behalf.

The approval of Workers’ Compensation or Social Security Disability benefits has no bearing on your application for disability retirement from the retirement system.

If you retire with an outstanding loan balance, your monthly loan repayment schedule will continue into retirement until the loan balance plus interest has been repaid.

"Child" means your unmarried child:
- under the age of 18;
- 18 years of age or older and enrolled in high school;
- any age, who at the time of your death, is disabled because of mental or physical incapacity and is incapable of substantial gainful employment because of the impairment. This incapacity must last or be expected to last for a continuous period of not less than 12 months as determined by the Medical Review Board.

Retired Member Death Benefit
Upon your death as a retired member, your surviving spouse is eligible to receive a pension benefit equal to 50 percent of your Final Compensation, plus 15 percent of your Final Compensation for one child or 25 percent of your Final Compensation for two or more children.

If there is no surviving spouse, the following benefit is payable to the minor children:
- 50 percent of Final Compensation to three or more eligible children;
- 35 percent of Final Compensation to two eligible children; or
- 20 percent of Final Compensation to one eligible child.

PAYMENT OF PENSION TO A SURVIVING FAMILY MEMBER

Upon the death of a retired member, the spouse and/or child(ren) of the member may be entitled to a monthly pension. The benefits vary according to the status of the member at the time of the death. The terms used in the explanations of benefits that follow are explained here.

"Surviving spouse" means the person to whom you were married on the date of your death and who has not remarried. It also means a member’s domestic partner provided the member has recieved a New Jersey Certificate of Domestic Partnership through application to a local registrar and is a State employee. Employees of local government entities are also included, provided the local employer has adopted a resolution to provide domestic partner pension benefits.

OTHER INFORMATION

Group Life Insurance
Most members of the retirement system are covered by group life insurance.

If you retire on a disability retirement, the amount of your group life insurance will be equal to 3½ times your Final Compensation until age 55 when it will be reduced to ½ of Final Compensation.

If a retiree was enrolled as a member of the PFRS on or after July 1, 1971, life insurance is payable only if the member retired with 10 or more years of pension membership credit or retired on a disability retirement.

Conversion
When your group life insurance is reduced, you have 31 days to convert the amount of insurance reduced to private individual insurance coverage. Please see Fact Sheet #13, Conversion of Life Insurance, for more detailed information.
Employment After Retirement
Because the Board of Trustees has determined that you are disabled, you cannot accept any further PFRS covered employment. Please refer to Fact Sheet 29, Employment After Retirement, for additional information.

Health Benefits
Fact Sheet #11, Enrolling in the State Health Benefits Program When You Retire, provides information about continuing your State Health Benefits Program coverage in retirement.

If you are not covered by the State Health Benefits Program, contact your employer about continuing your coverage.

Cost-of-Living Adjustments
The Pension Adjustment Program provides cost-of-living adjustments (COLA) to you and your eligible survivors if you are receiving a monthly retirement allowance from one of the state-administered retirement systems. The first adjustment is available in the 25th month after your retirement. Subsequent cost-of-living adjustments are computed annually and the adjustment is reflected in the February 1st check (which is payment for the month of January). If your spouse or beneficiary is entitled to receive a monthly pension upon your death, the COLA will be applied to that benefit based upon your year of retirement. See Fact Sheet #18, Cost-of-Living Adjustments, for further information.

Fact Sheets and Forms
The fact sheets, forms, and other publications mentioned above are available from your employer, by contacting the Division of Pensions and Benefits’ Office of Client Services, or over the Internet. The Division of Pensions and Benefits Internet home page address is:

www.state.nj.us/treasury/pensions
If you are covered by group life insurance while employed, the coverage ends 31 days after you cease employment (whether for reasons of retirement, termination of employment, or leave of absence without pay).

You have the option to convert your group life insurance coverage to an individual policy with the Prudential Insurance Company when you retire, terminate employment, or lose coverage while on a leave of absence without pay. This conversion to a Prudential policy is guaranteed (you cannot be denied coverage for health or other reasons), but it may be more expensive or less suitable to your needs than other policies for which you may qualify from Prudential or other insurance carriers.

You should contact other insurance carriers and compare the available policies and costs before you decide to purchase the conversion policy. (Other carriers may accept or reject your application based on their evaluation of the status of your health and other factors.) If you wish to purchase a conversion policy, you have a one time option to do so prior to the 31st day after you cease employment. After that date, you will not be eligible to purchase a conversion policy.

You may convert your life insurance to any individual, non-group policy customarily offered by Prudential. However, you cannot convert to term insurance or a policy containing disability benefits. Under a guaranteed conversion, the premiums you pay are Prudential's "standard" rates for the type of policy to which you would be converting. The individual policy will be effective at the end of the 31 day conversion grace period. If you do not convert to an individual policy by the end of the 31 day period, your coverage will end.

To initiate the purchase of a conversion policy, you must contact the Prudential Insurance Company (not the Division of Pensions and Benefits) through any of its local offices or if you live in New Jersey, by calling 1-800-262-1112. You will need to provide your group insurance policy number, as follows:

- G-14800 - This is the policy number for the basic (noncontributory) group life insurance for the following pension systems: ABP\(^1\), PERS\(^2\), TPAF\(^3\), JRS\(^4\), PFRS\(^5\), SPRS\(^6\)
- G-13900 - This is the policy number for the contributory group life insurance for PERS
- G-14300 - This is the policy number for the contributory group life insurance for TPAF

The conversion policy can be for any amount of insurance up to the amount that you had while employed. (In the case of a retirement the maximum amount that you can purchase will be reduced by the amount of any life insurance that you will automatically receive in retirement under your retirement plan. See example under Retirement.) To protect your conversion privilege it is suggested that you send your application for conversion to Prudential with at least one month's premium, at the time you file your retirement application with the Division of Pensions and Benefits.

The following sections provide more detailed information about conversion policies for the specific situations of retirement, i.e., deferred retirement, disability retirement, and termination of employment or leave of absence.

RETIRED

If you retire with 10 or more years of service credit in the retirement system, the amount of your group life insurance will be substantially reduced when you retire. The amount of your coverage will be listed in the Quotation of Retirement Benefits that you will receive prior to your retirement. It will be identified as the "Lump Sum Death Benefit." You will automatically be covered by this insurance and do not need to do anything to qualify.

If you retire with less than 10 years of service credit in the retirement system, you will not receive any group life insurance coverage (for the exception, see

---

\(^1\)ABP — Alternate Benefit Program  
\(^2\)PERS — Public Employees' Retirement System  
\(^3\)TPAF — Teachers' Pension and Annuity Fund  
\(^4\)JRS — Judicial Retirement System  
\(^5\)PFRS — Police and Firemen's Retirement System  
\(^6\)SPRS — State Police Retirement System
"Disability Retirement" below).

The reduction (or elimination) of your life insurance coverage will be effective 31 days after your date of termination. If you wish to supplement this coverage with either a conversion policy from Prudential or another type of policy from Prudential or another insurance carrier, it would be best to begin exploring your options at least four months prior to your retirement.

**EXAMPLE:** If you had group life insurance of $96,000 through the retirement system while employed, and that life insurance coverage drops to $6,000 at retirement, you can purchase up to $90,000 in life insurance coverage under an individual non-group policy by contacting a Prudential agent before 31 days following your termination of employment.

**Deferred Retirement (Does not apply to ABP)**

Your life insurance coverage will end 31 days after termination of employment. Any life insurance coverage to which you are entitled upon retirement will not take effect until you reach the normal retirement age for your pension system and begin to receive retirement benefits (age 60 for PERS, TPAF, and JRS; age 55 for PFRS and SPRS).

You have the one-time option to purchase a conversion policy prior to the 31st day after termination of employment (not at the time that you reach normal retirement age). The maximum amount of coverage that you may purchase will be the difference between the amount of coverage you had while employed and the amount of coverage that you will automatically receive when you begin to receive retirement benefits.

**Disability Retirement (Does not apply to ABP)**

If you are approved for a disability retirement you will automatically be covered by life insurance until you reach the normal retirement age (age 60 for PERS, TPAF, and JRS; age 55 for PFRS and SPRS). The amount of this coverage will be equal to the amount of the noncontributory insurance coverage that you had while employed.

You will have the option to purchase a conversion policy up until the day you reach normal retirement age for your pension system. The maximum amount of coverage that you may purchase will be the difference between the amount of noncontributory coverage you had while employed and the amount of coverage that you will automatically receive when you reach the normal retirement age.

If you also had contributory life insurance while employed, you may convert the amount of your contributory insurance until 31 days after termination of employment. Whether or not you exercise this option, you will still have the option to convert the noncontributory portion of your life insurance up until the day that you reach normal retirement age.

**TERMINATION OF EMPLOYMENT OR LEAVE OF ABSENCE**

If you terminate employment without applying for retirement or your insured period during a leave of absence expires, you will continue to be covered for the next 31 days. Up until the end of that 31 day period, you may convert your group life insurance, without medical examination, to any individual policy customarily offered by Prudential except term insurance or a policy containing disability benefits.

**EXAMPLE:** If you had group life insurance of $96,000 through the retirement system while employed, that life insurance coverage is eliminated at termination of employment. You can purchase up to $96,000 in life insurance coverage under an individual non-group policy by contacting a Prudential agent before 31 days following your termination of employment.

**RETURN TO PUBLIC EMPLOYMENT**

If you return to public employment after the purchase of a conversion policy, you must discontinue your individual conversion policy. If you do not, you will be required to submit satisfactory proof of insurability before you can be covered again in full under a group life insurance policy.

The Division of Pensions and Benefits cannot provide premium rates for converted life insurance policies. Please contact a Prudential agent for this information.
Workers’ Compensation

The receipt of Workers’ Compensation is designed to compensate employees who suffer work-related injuries or illnesses. Workers’ Compensation payments may be paid in lump sums or in weekly payments over a period of time (periodic payments). Workers’ Compensation benefits paid in lump sums or made for medical treatments and expenses do not affect pensions. Therefore, this publication deals only with payment of temporary and permanent disability benefits paid as a periodic benefit through Workers’ Compensation.

**WORKERS’ COMPENSATION AWARDS “WITH PAY”**

If an employer keeps an employee on regular payroll and/or the insurance company pays the employer (not the member) the equivalent of the member's full salary, then all pension deductions should be taken from that payment, including loan and (purchase) arrears deductions. It is as though the member is still active in all respects for pension purposes. Full contributions/repayments would be remitted monthly, and full service credit, salary, contributions, and other deductions would be reported quarterly on the Report of Contributions (ROC).

If a periodic Workers' Compensation award "with pay" is for only a percentage of the member's regular salary, the member still contributes the normal amount of pension deductions and is reported at the full base salary in effect prior to the leave on the ROC.

**Employer Augmented Workers’ Compensation Awards**

Some employers augment Workers' Compensation awards that are for less than full base salaries. When an employer augments or compensates for the remaining portion of the member's full salary, the member is treated as "with pay" and the member's full contributions and regular deductions are withheld from the employer's salary payment. The member is also reported for full salary and deductions on the ROC.

**WORKERS’ COMPENSATION AWARDS “WITHOUT PAY”**

If the only payment the employee is receiving is a check directly from the insurance company, this is considered by the Division of Pensions and Benefits to be Workers' Compensation "without pay."

Normally, no pension credit can be given for periods of time when an employer reports no salary or pension contributions for a member. However, if a member is receiving Workers' Compensation payments, the member's employer may be responsible for payment of the member's pension contributions even though the member is not collecting salary. If required, the contribution is based on the salary a member was receiving before the Workers' Compensation payments began. This enables the member to receive credit in the retirement system for that period of time.

The Division of Pensions and Benefits previously treated temporary and permanent disability benefits paid as periodic benefits through Workers' Compensation differently. The New Jersey Supreme Court decision, *James v. Board of Trustees of the Public Employees' Retirement System*, 164 NJ 396, 753 A. 2d 1061 (2000) eliminated the distinction between temporary and permanent Workers’ Compensation awards for pension purposes for those receiving Workers’ Compensation without pay. The court held that an employee who receives periodic Workers’ Compensation benefits must be retained on payroll and have pension contributions made by the employer. Employers are not responsible for arrears payments (usually purchases), pension loan payments, or back deductions. Once the periodic benefits for Workers’
Compensation cease, so does the employer's liability for pension contributions.

The court in James also recognized valid terminations from employment as a means of terminating the employer's requirement to pay pension contributions. Therefore, the employer's obligation to make pension contributions for members receiving Workers' Compensation ceases when:

1. The employee voluntarily files for a retirement allowance that is subsequently approved;
2. The employer files an involuntary disability retirement application for the employee that is subsequently approved;
3. The employee voluntarily resigns from employment for reasons other than the inability to perform the job's functions due to the incident that was the basis for the Workers' Compensation claim; or
4. The employee is terminated by the employer for reasons unrelated to a Workers' Compensation award.

When the Division receives notification of a Workers' Compensation award, and the employer has not been making or forwarding employee contributions, the Division will bill the employer for those contributions. If an employer has been making payments of employee pension contributions and ceases to do so due to the reasons listed in items 3 or 4 (above), the employer must notify the Division in writing of the reasons for the cessation of payments.

**NONCONTRIBUTORY GROUP LIFE INSURANCE**

Noncontributory group life insurance remains in effect while the employer is making pension contributions for the member. During the interval between the time the member is without pay and the actual receipt of the Workers' Compensation award, the employer should place the member on an official leave of absence for personal illness.

**CONTRIBUTORY GROUP LIFE INSURANCE**

While a member of the PERS is receiving Workers' Compensation, the employer is not required to pay contributory group life insurance premiums. In order for a member to continue the contributory portion of group life insurance, the member must remit premiums in advance. Premiums may either be remitted to the Division directly, or the employer may permit the member to pay the premium through the employer.

Direct remittance to the Division requires the use of a Contributory Group Life Insurance Remittance card. This card is available from public employers, the Division, or it may be downloaded over the Internet at: www.state.nj.us/treasury/pensions Remittance should be done immediately upon leaving the employer's payroll. If a member does not make these optional premium payments, contributory group life insurance is suspended until the member returns to the employer's regular payroll.

If you have any questions on the continuation of contributory group life insurance, please contact your employer. You may also contact the Division of Pensions and Benefits, Office of Client Services at (609) 292-7524.

**CONTRIBUTORY GROUP LIFE INSURANCE**

*(TEACHERS' PENSION AND ANNUITY FUND (TPAF) ONLY)*

N.J.S.A. 18A:66-53j provides that while a member of the TPAF is receiving Workers' Compensation, no contributions by the member are required for continuation of the contributory group life insurance benefit.

**THE STATE HEALTH BENEFITS PROGRAM AND WORKERS’ COMPENSATION**

When an employee has a Workers' Compensation award pending, or is receiving an award of periodic benefits under Workers' Compensation or the Second Injury Fund, the employee is considered active in all respects for State Health Benefits Program coverage. Health benefits coverage will continue in force for the employee and all eligible dependents covered under the employee's coverage level selection. If the employee shares in the cost of health benefit premiums, the employee receiving Workers' Compensation "without pay" must pay the employer in advance for his or her share of the premiums. If the Workers' Compensation award is "with pay", the premium share may continue to be
deducted from the employee’s paycheck. When an employee ceases being an employee, for any of the four valid termination reasons stated in the section on Workers' Compensation "Without Pay", the health benefits coverage as an employee shall end. The member may then be eligible for coverage continuation under COBRA or possibly as a retiree.

RETIEMENT AND WORKERS’ COMPENSATION

Ordinary and Accidental Disability retirement allowances are subject to reductions. If you are approved for Ordinary Disability retirement benefits and receive a Workers’ Compensation award, your Workers’ Compensation award may be reduced by the amount of your Ordinary Disability retirement benefit. If you have any questions concerning this issue, please contact your attorney or union representative.

In the case of Accidental Disability retirement, the retirement benefit is reduced on a dollar-for-dollar basis. The following are examples of when a Workers’ Compensation award would reduce a retiree’s Disability Retirement allowance:

• If the retiree receives a periodic payment award, the weekly dollar amount of the award is converted to a monthly dollar amount, which reduces the pension portion of an Accidental Disability Retirement allowance dollar-for-dollar for as long as the retiree receives the award. The reduction is applied only to Workers’ Compensation benefits payable from the retiree’s retirement date or later, and does not include such payments before the retirement date. Any assessments, such as attorney fees or court costs charged to the retiree are not subject to the reduction.

• If a retiree receives a Second Injury Fund award, this amount will also be subject to the same dollar-for-dollar offset.

A retiree’s Disability Retirement allowance is not reduced by monies received under the award for medical coverage or by a “Section 20” lump-sum award (not the same as a lump-sum payment).

A retiree’s Cost-of-Living Allowance (COLA) is also not affected by reductions in the pension portion of the retiree’s retirement benefit. The COLA continues to be based upon the retiree’s full pension benefit amount regardless of the Workers’ Compensation offset.

NOTIFYING THE DIVISION

Either the member or the member’s employer must notify the Division of Pensions and Benefits that a Workers’ Compensation claim is pending. Once a judge has reviewed the claim and a Workers’ Compensation award has been granted, a copy of the award must be sent to the Division of Pensions and Benefits.

Questions regarding the impact of Workers’ Compensation on pension benefits may be directed to the Division of Pensions and Benefits, Office of Client Services at (609) 292-7524. General questions regarding Workers’ Compensation should be addressed to the Human Resources office of the member’s employer.
HOW ARE MY PENSION BENEFITS TAXED FOR FEDERAL PURPOSES?

Pension benefits (except for Accidental Disability and Accidental Death benefits) are subject to federal income tax; however, if you paid tax on any of your contributions to the pension plan, that portion of your monthly benefits representing a return of your previously-taxed contributions is not taxable.

Contributions made to the pension plan prior to January 1, 1987 were already taxed as were any purchases of optional pension membership credit made before 2002. After January 1, 2002 some purchases may have been made with previously-taxed money. Therefore, if you began contributing to the pension plan prior to January 1, 1987, or if you purchased pension membership since then, all or a portion of your total contributions may have been previously subject to federal tax.

The rate at which you can recover your previously-taxed contributions is determined in part by your retirement date.

If you retired before August 1, 1986 — you were able to fully recover your contributions before having to pay tax on your benefits. Once you recovered your contributions, your benefits became fully taxable. The exception is if you did not fully recover your contributions within the first three years of retirement. In that case, you had to recover your contributions under the IRS expected return rule explained below.

If you retired on or after August 1, 1986 — you must recover your contributions under the expected return rule. Under this rule, you recover your contributions evenly over your expected lifetime or the combined lifetime of you and your pension beneficiary. This means that only a small portion of each monthly benefit is considered a return of your previously-taxed contributions and is tax-free.

CALCULATING THE NON-TAXABLE AMOUNT

If you retired after July 1, 1986 and before November 1, 1996 — your monthly nontaxable amount is determined using life expectancy tables found in IRS Publication 939.

If you retired on or after November 1, 1996 — the following tables are used to determine your monthly nontaxable amount:

**TABLE A**

Benefits Payable To Retiree Only*

<table>
<thead>
<tr>
<th>Age of Retiree (at retirement)</th>
<th>Number of Payments</th>
</tr>
</thead>
<tbody>
<tr>
<td>55 or less</td>
<td>360</td>
</tr>
<tr>
<td>56-60</td>
<td>310</td>
</tr>
<tr>
<td>61-65</td>
<td>260</td>
</tr>
<tr>
<td>66-70</td>
<td>210</td>
</tr>
<tr>
<td>71 or more</td>
<td>160</td>
</tr>
</tbody>
</table>

*For those retired on or after November 1, 1996 and before December 1, 1997, Table A is used even if benefits are payable to the retiree and the retiree’s survivor.

**TABLE B**

Benefits Payable To Retiree and Beneficiary

<table>
<thead>
<tr>
<th>Combined Age of Retiree (at retirement) &amp; Beneficiary</th>
<th>Number of Payments</th>
</tr>
</thead>
<tbody>
<tr>
<td>110 or less</td>
<td>410</td>
</tr>
<tr>
<td>111-120</td>
<td>360</td>
</tr>
<tr>
<td>121-130</td>
<td>310</td>
</tr>
<tr>
<td>131-140</td>
<td>260</td>
</tr>
<tr>
<td>141 or more</td>
<td>210</td>
</tr>
</tbody>
</table>

The following examples illustrate how the monthly nontaxable amount is computed using Tables A and B:
Example 1 — A PERS member whose previously-taxed contributions equaled $12,000 retires at age 62 and chooses to receive the maximum allowance (designating no monthly pension to a surviving beneficiary). Table A is used because benefits are payable to the retiree only. The $12,000 is divided by 260 which produces a monthly tax-free amount of $46.15. The balance of the monthly pension is subject to federal income tax.

Example 2 — A TPAF member whose previously-taxed contributions equaled $15,000 retires at age 60 and chooses to receive benefits under Option 2 (designating the same monthly pension to the surviving beneficiary). Table B is used because benefits are payable to the retiree and the retiree’s beneficiary. The designated beneficiary is the same age as the retiree. The $15,000 is divided by 360 which produces a monthly tax-free amount of $41.67. The balance of the monthly pension is subject to federal income tax.

HOW LONG WILL THE NON-TAXABLE PORTION CONTINUE?

For those who retired after December 31, 1986 the monthly nontaxable amount remains in effect until all of your previously-taxed contributions are fully recovered. At that point your benefits become fully taxable.

For those who retired before December 31, 1986 the monthly nontaxable amount is effective for as long as you or your survivor receive benefits.

If benefits cease before your previously-taxed contributions are fully recovered, the remaining balance can be claimed as a deduction on the income tax return of the last recipient, provided you retired on or after July 1, 1986. If you retired before July 1, 1986, no deduction is allowed for unrecovered contributions.

WITHHOLDING FEDERAL INCOME TAX FROM YOUR PENSION CHECK

Each new retiree will automatically receive a federal withholding tax form (W4-P) near the date of retirement. The Division of Pensions and Benefits is required by federal law to automatically withhold federal income tax from your pension check, based on a status of married with three allowances if you do not complete a W4-P. The W4-P allows you to elect no withholding or, if you want withholding, to inform us of your tax filing status so that we can withhold the proper amount.

WITHHOLDING NJ STATE INCOME TAX FROM YOUR PENSION CHECK

If you live in New Jersey you will automatically receive a New Jersey State withholding tax form (NJ W4-P) near the date of retirement. Most retirees will not be subject to New Jersey income tax until they recover in pension checks the amount of the contributions which they made to the pension plan while working. If you will not recover your total contributions within three years of retirement, refer to your NJ Gross Income Tax Return Form 1040 booklet to determine how your pension is taxed.

If you are at least 62 or considered disabled by Social Security, you may exclude the following amounts of retirement income from New Jersey income tax for the tax year indicated below:

<table>
<thead>
<tr>
<th>Tax Year</th>
<th>Married Filing Jointly</th>
<th>Married Filing Separately</th>
</tr>
</thead>
<tbody>
<tr>
<td>2000</td>
<td>$12,500</td>
<td>$6,250</td>
</tr>
<tr>
<td>2001</td>
<td>$15,000</td>
<td>$7,500</td>
</tr>
<tr>
<td>2002</td>
<td>$17,500</td>
<td>$8,750</td>
</tr>
<tr>
<td>2003 and beyond</td>
<td>$20,000</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

Unlike federal income tax, withholding for New Jersey income tax is completely voluntary. No New Jersey income tax will be withheld unless you authorize it by completing a NJ W4-P. The amount withheld must be at least $10.00 per month and in even dollar amounts (no cents). If you need help deciding whether to have this withheld or how much to have withheld, you can contact the New Jersey Division of Taxation at 1-800-323-4400.

If you live outside New Jersey, you are not required to pay New Jersey income tax on the pension you receive from the retirement system. The Division of Pensions and Benefits does not withhold income tax.
for other states. Check with your home state’s tax office to determine if your pension is taxable in your state of residence.

**CHANGING YOUR WITHHOLDING AMOUNT**

If you wish to change your withholding you must **submit a new form** which you can obtain by calling the Division of Pensions and Benefits - Benefits Information Library (BIL) 24 hours a day, seven days a week, at (609) 777-1931 (if you have a touch-tone telephone). When your call is answered, press 122 on the key pad of your telephone. At the end of the message you can leave your name, address, and Social Security number, and a federal (or State) withholding form will be sent to you. If you are already having **more than the minimum** federal tax withheld, you should contact the Division of Pensions and Benefits at (609) 292-7524 for assistance in completing the form.

**QUESTIONS COMMONLY ASKED AFTER RETIREMENT**

**Will I receive a statement of pension income for tax purposes?**

Yes. Retirees receive Form 1099-R at the end of January each year, covering the previous tax year. This shows the gross retirement allowance; how much is subject to federal income tax; and the amounts, if any, that were withheld for federal and New Jersey income tax.

**Am I taxed on the reimbursement of Medicare premiums?**

No. Some State employees and all employees of boards of education or county colleges who retired with 25 or more years of service, or on a disability retirement, who are enrolled in the State Health Benefits Program are reimbursed in their pension checks for the Medicare Part B premiums they pay to Social Security. If you receive this Medicare reimbursement, the gross amount of your pension checks will be greater than the gross amount shown on your 1099-R because the Medicare reimbursement is not taxable. The Medicare premium reimbursement is subtracted from your total gross income to arrive at the gross pension reported to the IRS.

**Why doesn't my gross allowance equal 12 times the amount of my December 1 check?**

When you receive a cost-of-living increase, your pension is changed each year with the February 1 check. Therefore, the gross allowance for your January 1 check is less than your next 11 checks.

**Is my disability pension taxable?**

If you are receiving a disability pension, your benefits are not subject to New Jersey income tax until you reach age 65.

If you are receiving an **Accidental** Disability pension, — or if you are a survivor receiving Accidental Disability or Accidental Death benefits — the Division of Pensions and Benefits reports your benefit as exempt from federal income tax. **Ordinary** Disability pensions are subject to federal tax to the same extent as other pensions. Any questions should be referred to the IRS at the number listed below.

MEDICAL EXAMINATION FORM INSTRUCTIONS

The Division of Pensions and Benefits needs at least two pieces of medical evidence to determine your eligibility. We require Medical Examination by Treating Physician forms from at least two doctors who treated you for your disability or from one doctor if a separate record of treatment for the disability will be sent by a
hospital. Complete Part One of the Medical Examination by Treating Physician form and give it to your doctor(s) to complete the rest. It is your responsibility to ensure your doctors complete and forward the forms to the Division of Pensions and Benefits.

**AUTHORIZATION TO DISCLOSE HEALTH INFORMATION FORM INSTRUCTIONS**

This form is required if your disability included any hospitalization. Complete the form and present it to the Records Section of the hospital. You will be responsible for any costs associated with obtaining hospital records required to support your application. If you were not hospitalized for the disability, check the box indicated on the form and return it to the Division of Pensions and Benefits with your retirement application.

**AUTHORIZATION FOR DIRECT DEPOSIT**

Included in this packet is a form for initiating the direct deposit of your retirement checks. Please complete the Authorization for Direct Deposit of Benefit Payment form and send it to the Division of Pensions and Benefits along with your retirement application.

Signing up for direct deposit is a risk-free opportunity to have your retirement benefits available to you the first of every month. **Having your retirement check directly deposited into your checking or savings account eliminates the possibility of a check being lost or stolen. It normally takes 3-4 weeks to have a lost or stolen retirement check replaced.** It also makes it unnecessary for you to go to your bank during periods of inclement weather.

Upon verification of your account information with your bank, your retirement check will be directly deposited in your checking or savings account and you will receive a Statement of Allowances and Deductions in the mail. Thereafter, you will receive a Statement of Allowances and Deductions each December that summarizes your allowance and deduction information for the year. You will also receive the statement anytime there is a change to your financial information, bank information, or your address. Otherwise, monthly statements are not sent, however, your monthly allowance and deduction information is always available 24 hours a day, 7 days a week by calling the Division’s Automated Information System at (609) 777-1777.

**EMPLOYER CERTIFICATION**

It is important that you notify your employer of your retirement plans since your employer must complete the Employer Certification for Disability Retirement included in this application package. Your retirement cannot be processed until the Division of Pensions and Benefits receives this certification.

**CHANGE OF DISABILITY RETIREMENT**

If, after you submit your application, you wish to change your retirement date or cancel the retirement process, you will need to complete the Change of Disability Retirement form. If you are changing your retirement date please submit the form to your employer, so they can complete the salary certification on the back of the form; you or your employer should then forward the form to the Division. Please note that a change of your retirement date must be submitted prior to the effective date of your original retirement date.

If you are cancelling your retirement you may send the form directly to the Division. Please note that once your disability retirement is approved by the Board of Trustees, you cannot cancel your retirement, and your application cannot be withdrawn, cancelled, or amended. A member cannot change the date of retirement if retiring under an Involuntary Disability Retirement.

TERMS AND CONDITIONS

Benefit Recipient
I authorize the New Jersey Division of Pensions and Benefits and the financial institution indicated to directly deposit my net retirement allowance payment each month to the account specified. Direct deposit under this authorization is full satisfaction and discharge of the amount then due and payable under the retirement system or benefit program. I understand that the provisions of the statutes governing the pension funds prohibit the deposit of retirement payments to a trust fund. I understand that any retirement allowance payment forwarded to the financial institution with a due date after my death will be refunded to the appropriate retirement system. I agree that the financial institution shall have the right of offset for such a refund.
I further understand that this agreement may be changed by me upon written notification to the Division of Pensions and Benefits. The change will be processed for the pay period following receipt of the notice by the Division. I understand that a change in the title of this account which alters the interest of any party terminates this authorization, a notification must then be submitted. I understand that it is my responsibility to inform the Division of Pensions and Benefits of address changes immediately. I authorize the financial institution to provide the Division of Pensions and Benefits with my home address.

Other Parties to the Account
As a party to this account, I understand that I am personally liable, both individually and as a member of the group of parties to this account, for the full amount of all retirement allowance payments with due dates after the death of the benefit recipient withdrawn from the account. This liability is to the retirement system. If I am entitled to any benefit from the retirement system or benefit program as a beneficiary of the benefit recipient, the amount of my liability may be deducted from the amount payable to me. I agree that the financial institution shall have the right of offset for such a refund and I authorize the financial institution to provide the Division of Pensions and Benefits with my home address.
